Brussels Powers Plan Link With U.S., Canada

Alliance Main Issue Of 3-Day Session

Paris, Oct. 25.—(AP)—Foreign ministers of Britain, France and the Benelux countries met today to discuss how their alliance could be linked in a military treaty relationship with the United States and Canada.

Authoritative American and British sources said this was expected to be the central theme of the three-day conference. The ministers were meeting for the third time as the consultative council of the five-nation Brussels alliance.

A Washington dispatch said invitations to a conference to draft a military alliance between North America and western Europe probably will go out soon after next week's presidential election.

(A Canadian government source in Ottawa said a seven-nation exchange of views at cabinet level will be the next stage in the progress toward a North Atlantic alliance.)

Official British sources said the ministers decided soon after today's meeting began that the sessions will be completely restricted. Each delegation's own official spokesman left the meeting at once. There will be no briefing sessions for newsmen but a joint communiqué will be issued when the talks end, the informants said.

Highlighted Issues
Sources in touch with the proceedings said the secret agenda before the ministers is highlighted by these issues:

- 1—Development of the Brussels Union into a North Atlantic military pact with the United States and Canada.
 - 2—Convocation, or indefinite deferment, of the western European assembly projected by France and Belgium.
 - 3—Admission of new members into the Brussels Union.
 - 4—Consideration of the report of the permanent military committee.
 - 5—Economic, financial, social and cultural cooperation between the five countries.
 - 6—Coordination of foreign policy.
- The ministers had before them reports from their ambassadors in Washington on talks they have been conducting during the last few months with the U. S. State and Defense Departments, the informants said.

Irene Dunne, Ronald Colman Tops In Filmland

New York, Oct. 25.—(AP)—Irene Dunne and Ronald Colman won top acting honors in the seventh annual poll of motion picture critics and reviewers conducted by the Film Daily, screen industry daily.

Results of the poll were announced today by Chester B. Bahn, editor of the Film Daily.

Colman won top listing in the year's best performances by male stars for his role in "A Double Life." Miss Dunne won similar honors in the list of best performances by female stars for her role in "I Remember Mama."

Other firsts in the poll:

Best performances by supporting actors—Walter Huston for his role in "The Treasure of Sierra Madre."

Best performances by supporting actresses—Celeste Holm for her role in "Gentleman's Agreement."

Best performances by juvenile actors—Anthony Wager for his role in "Great Expectations."

Best performances by juvenile actresses—Mona Freeman for her role in "Dear Ruth."

"Gentleman's Agreement" was at the top of the list of the year's outstanding screenplays.

The following actors and actresses were listed as the best five "finds" of the year:

Barbara Bel Geddes, Valli, Richard Widmark, Wanda Hendrix and Jean Peters.

Navv To Answer Mother's Request

Pearl Harbor, Oct. 25.—(AP)—A navy plane will fly a special mission Wednesday-Navy Day—for an Elizabethan, Tenn., mother.

Lt. Comdr. J. H. Shilling, Pearl Harbor chaplain, will drop a flower into the water where the battleship Oklahoma was sunk in the Japanese attack Dec. 7, 1941.

The mission was arranged after the navy public relations office received a letter from Elizabethan. With it was a note, a bit of faded wax paper and a crushed field daisy.

The note from Mrs. John B. Campbell was brief:

"In loving memory of our son, William Vance Campbell, killed December 7, USS Oklahoma."

Dewey Confident Of Win; On Final Campaign Tour

Albany, N. Y., Oct. 25.—(AP)—Gov. Thomas E. Dewey, pictured as confident of victory, sets out tonight on the final tour of his campaign for the presidency.

A few hours before his scheduled departure at 11 a. m. (CST) on a five-day trek into six states, the Republican presidential nominee conferred at the executive mansion with Robert Menzies, wartime prime minister of Australia.

Afterwards, at a news conference, Menzies was asked whether he found Dewey confident he would win the Nov. 2 election.

"I think he is confident," the Australian replied.

But Menzies promptly added that President Truman "is confident too—very confident."

Menzies, now leader of the Australian opposition party, recently conferred with Mr. Truman.

As for his reaction to Dewey, Menzies said in reply to a question: "I liked him immensely. I was very impressed."

Then, saying he had to keep out of American politics, Menzies added: "I am in the interesting position of thinking both of the principal candidates are very attractive personalities."

Dewey's campaign train heads tonight for Chicago where he will make a major address tomorrow evening. He will discuss "what the three great elements of our country—labor, business and agriculture—have a right to expect from their government."

Wednesday night he will speak in Cleveland and Thursday evening in Boston, with the grand finale of the campaign set for Saturday night in Madison Square Garden, New York. Thursday and Friday he will campaign in other Massachusetts communities and in Rhode Island and in Connecticut.

The GOP candidate plans to spend Sunday at his farm home at Pawling, N. Y., returning to New York City Monday to vote the next day and get the returns that evening.

Supreme Court Rules Book Is Unfit To Read

Washington, Oct. 25.—(AP)—The Supreme Court today backed up New York's action in banning "Memoirs of Hecate County" as an obscene book not protected by the free press guarantee of the constitution.

The decision on Edmund Wilson's collection of short stories was 4 to 3 and there were no written opinions to show any of the high court's reasoning.

The effect of a tie vote is to uphold lower courts. In this case it affirmed state court decisions which had assessed Doubleday & Company's Inc., a fine of \$10,000 for publishing the book.

Justice Frankfurter took no part in the case. Hence his vote on any comparable test in the future might throw the decision either way. He gave no reason for sitting out the "Memoirs" case. How the other justices voted was not disclosed.

Publishers have shown great interest in the litigation as the test of how far states may go in general bans against alleged obscenity.

Statutes against such publications exist in every state and were cited by New York's attorney general in the "Memoirs" action.

If Your Heart Flutters, Don't Worry, Says Doc

Miami, Fla., Oct. 25.—(AP)—Your heart can have abnormal rhythm and still be okay, the Southern Medical Association was told today—but you should have a check-up, just in case.

Dr. David A. Nathan of Miami said abnormally rapid and slow beating of the heart, as well as "pounding" or "flutter" can occur in normal hearts as well as in a heart afflicted with organic disease.

In fact, he told the opening session of the association's 42nd annual meeting, practically all of the abnormal types rhythm found in organic heart disease have been demonstrated in normal hearts.

Abnormal rhythms in otherwise healthy hearts, he said, are due to such things as worry and fear; acute infections in another part of the body, such as severe tonsillitis and pneumonia; bodily disturbances resulting from over-indulgence in alcohol, coffee, tobacco or drugs; and over-activity of the thyroid gland.

All of these causative factors may be correctable, he said, adding that abnormal rhythms in otherwise normal hearts rarely, if ever, shorten the span of life.

Parks Air College President Resigns

St. Louis, Oct. 25.—(AP)—The resignation of Oliver S. Parks as dean of Parks College of Aeronautical Technology of St. Louis University was announced today. The college is located near East St. Louis, Ill.

The controlling interest in the college was given to St. Louis University two years ago by Parks, who founded it. Parks said he planned to devote more time to his air transport and airplane distributing companies. He will remain a member of the college's executive committee.

CHURCH DESTROYED

Virden, Ill., Oct. 25.—(AP)—Fire destroyed the First Baptist church yesterday with loss estimated by Fire Chief James Winkler at \$20,000. Boys playing in the churchyard at noon time discovered the blaze, cause of which is undetermined.

TRAFFIC DEATH

Alton, Ill., Oct. 25.—(AP)—Mrs. Nellie Wimer, 73, was killed last night when she was struck by a taxicab in downtown Alton. The driver was not held.

Would Nationalize Britain's Steel, Iron Industry

London, Oct. 25.—(AP)—King George VI and all his Lords will don their finest robes tomorrow to open a session of parliament which will consider the labor government's plan to nationalize Britain's iron and steel industry.

That industry now operates as a private cartel. It is expected to be taken over under a law slightly more flexible than those used to bring coal, electricity, gas, aviation, communications and the bank of England into public ownership.

King George may outline the steel plan in his address from the throne. The government's bill is expected to be introduced later in the week. Details of the measure have not been disclosed as yet.

Conservatives are expected to fight the legislation bitterly. They have no chance to beat the bill against the overwhelming labor majority in the House of Commons.

The conservative-controlled House of Lords could, and many think will, reject it. Other observers believe the Lords may only offer amendments.

Auto Industry Announces Hike In Production

Detroit, Oct. 25.—(AP)—The automobile assembly lines, moving at about pre-war average speed, should produce another 100,000 vehicles this week.

Output will lose some 6,000 cars because of the Buick model change-over shutdown but increased momentum in other plants will probably make up most of the loss.

Buick closed last Wednesday to retool on Nov. 1 with new roadmaster and super models. No change will be made in the "special" series until early next year.

At that time, some Buick sources say, the "special" will be completely re-designed, with the clutchless transmission as optional equipment.

Last week the factories built about 92,000 passenger cars and 25,000 trucks. This brought the year's total to date to 4,214,655 cars and trucks.

Franklin County Man Faces White Slavery Charges

Chicago, Oct. 25.—(AP)—William R. Brown, 35, of Buckner, Franklin county, Ill., was ordered removed today by the U. S. District court in Danville, Ill., today on white slave charges, by U. S. Commissioner Edwin K. Walker.

Robert C. Eardley, assistant U. S. attorney, said that on March 11, 1947 Brown transported a woman from Centralia, Ill., to Longview, Texas, for immoral purposes. The following day, Eardley said, Brown transported a second woman from Collinsville, Madison county, Ill., to Texarkana, Texas.

George R. McSwain, Chicago agent-in-charge of the FBI, said Brown was arrested last week at the home of his brother-in-law, Lawrence Dunn, on the north side of the city.

Survivor Of C-47 Crash Tells Of Heroic Rescue

Chanute Air Base, Ill., Oct. 25.—(AP)—A story of heroism by air force ground crew members was told today by a survivor of the C-47 plane crash which killed three persons and injured 19 here last night.

Praise for airmen of this base who extinguished flames and crawled into the gasoline-soaked wreckage to rescue the injured was voiced by Lt. Col. Charles R. Hawkes of Los Angeles.

Lt. Col. Hawkes said from his hospital bed:

"I can't say enough about the heroism of the Chanute enlisted men who pulled us out. They had every reason to expect the wreckage to go up in flames. There was gasoline and hydraulic fluid all over the place. The men were wonderful."

"As we were making the approach, I was looking out of the left side of the plane. I was in the most forward seat, right against the bulkhead. The soup was pretty thick."

"Everything happened in a thousandth of a second, but I believe we hit a power line first. I can recall seeing sparks. Then we struck a more substantial object. The deceleration began building up, and I blacked out."

"When I came to (and I was very surprised that I did come to) Everything had moved forward in the cabin. There was baggage and several officers on top of me. I tried to get free, but couldn't."

"I saw a little fire and thought now we've had it. Several of the

Truman Avows GOP, Progressives Conspiring Against Democrats

Chicago, Oct. 25.—(AP)—President Truman, pounding into the windup tour of his campaign, said today "the Republicans have joined up with this communist-inspired third party to beat the Democrats."

He said the GOP financed efforts of Henry Wallace's Progressive party to get on the ballot in a number of Indiana counties "and I can prove it."

And Thomas E. Dewey, Mr. Truman said, has flitted from one doubtful state to another trying to "bait out" campaigns of "hopeless reactionaries" and "help those birds that ran that good for nothing 80th Congress."

One "salvage operation" he said was for that "hard-shelled isolationist reactionary Senator 'Curly' Brooks of Illinois."

Mr. Truman put in those words at the opposition in an unscheduled speech to a train-side crowd at Garrett, Ind.

Then he moved into Gary, Indiana's steel capital, proclaiming: "We beat this Republican outfit in 1932. We beat them in 1936. We beat them in 1940. And we beat them four years ago. 'We'll do it again.'"

American Rodeo Company Expelled From Switzerland

Geneva, Oct. 25.—(AP)—Forty cowboys and cowgirls of an American Rodeo company were ordered expelled from Switzerland today after a free-for-all fight last night at the Palais Des Expositions which was somewhat in the tradition of the Old Wild West.

The outbreak left a large number of Geneva policemen with bruised knuckles, battered uniforms and slight headaches.

Larry Sunbrook of Winter Garden, Fla., whom the Swiss newspapers described as "chief of the tribe," still was in the police station explaining the fracas to the police, the American consul and his creditors. He was ordered to pay 1,000 francs (about \$250) for torn uniforms, lost buttons and other police property damage.

The police made each member of the show sign a statement admitting that he had "gravely abused the hospitality granted by our country by taking part in the riot."

Dorothy Breslin, nine-year-old trick rider from De Land, Fla., was among those ordered to leave.

The communist newspaper Voix Ouvriere jumped into the argument and said the cowboys had come to Switzerland "in application of the Marshall plan." The paper referred to the cowboys as a "group of savages" and "this band of Apaches."

EGGS ARE PRECIOUS!

London, Oct. 25.—(AP)—George Hollis, 45 year old, was fined 40 shillings (\$8) today for smashing a plate on the head of his daughter Elaine, aged eight, because she dropped and broke an egg.

Current egg ration in England is less than one a week per person.

Heavily Armed French Troops Hold Coal Mines

Paris, Oct. 25.—(AP)—Thirty thousand heavily armed French troops and police occupied approximately half of the nation's key northern coal fields today and seized at least 12 struck mines.

No violence was reported as the government forces, including Moroccan infantry units, moved in before dawn. Pickets meekly surrendered the pits to troops backed up by armored cars and heavy machineguns.

Government officials used battle-like language to describe the operation, saying: "all objectives were reached without incident."

The government forces swept over about 280 square miles in the area near the Belgian border. The main seizures of struck mines took place at Valenciennes and Douai. About 15 arrests were made.

Quiet prevailed in the central and southern coal fields. The French mine strike has been in progress since Oct. 4, costing the nation and through it the projects for European recovery an estimated 3,000,000 tons of coal.

Official Predicts State Republican Dewey-Green Win

Chicago, Oct. 25.—(AP)—A Republican state party official predicted today the "Dewey-Green ticket" will carry Illinois by a 450,000 vote majority in the Nov. 2 election.

"That means not only the election of Dewey, Warren, Senator Brooks, and Governor Green but every Republican running for a state office," said Paul C. Rosenquist, GOP state committee chairman.

Rosenquist's statement added that "some people are going to be surprised at some of the recognized Democratic counties which will go Republican." He did not list the counties.

Green and other candidates were in Chicago preparing to welcome their presidential nominee, Gov. Thomas E. Dewey, at a major campaign appearance tomorrow.

After his arrival at 4 p. m. (CST), Dewey will lead an automobile parade through the loop. His address from the Chicago Stadium at 9 p. m. tomorrow will follow by 24 hours the appearance of President Truman in the same auditorium.

Housing Shortage Adds To Problems Of Pam Lamphere

Chicago, Oct. 25.—(AP)—Pamela Lamphere, the two-year-old girl who has undergone two operations to correct a rare bladder malformation, now has another problem—the housing shortage.

Dr. Karl A. Meyer, medical director of County Hospital, said today he was "fearful" of sending the child home because of crowded conditions in her parents' one room apartment.

"It will not be the child's benefit to live in such crowded conditions," Dr. Meyer said, adding that he hoped public interest in the girl would result in her parents finding a larger apartment.

Pamela's parents, Fred, 23, and Irene, 21, moved from a trailer home into a one-room apartment (at 1234 Cleaver street) when their daughter was taken to the hospital.

Pamela was born with her bladder outside her body. Two operations have corrected the major part of the malformation but a third is necessary, physicians say. The final operation probably will take place in about three months.

KILLED BY TRAIN

Ashley, Ill., Oct. 25.—(AP)—One man was killed as a milk transport truck struck a Louisville & Nashville freight train in an early Sunday fog. Two freight cars midway in the train were derailed by the impact and traffic on Route 51 was tied up about five hours.

Council Votes For Proposal Nine To Two

Paris, Oct. 25.—(AP)—Russia's Andrei Y. Vishinsky tonight vetoed the plan submitted by the six "neutral" members of the United Nations Security Council for settling the Berlin dispute.

It was the Soviet Union's 28th veto and the second cast by Vishinsky personally. The vote was 9 to 2, with Russia and the Soviet Ukraine casting the lone negative votes.

Argentine Foreign Minister Juan Atilio Bramuglia, acting president of the council, told newsmen: "I will keep on trying to get a peaceful settlement."

He spoke for the five other "neutrals"—China, Syria, Belgium, Canada and Colombia—as well as his own country.

Will Attempt Agreement
"I am sure," Bramuglia said, "neither of the parties wants to reach the worst now. And it is my duty to try to bring them to an agreement. Their differences have been very much ironed out so far and they may still be brought to a coincidence in viewpoints."

The discussion just before the vote disclosed that the major sticking point between Russia and the western powers is: When will the Russian blockade on Berlin be lifted and when will the Russian make the currency for all four sectors in Berlin?

Dr. Philip C. Jessup, U. S. delegate, told the council last responsibility for stopping council action rested solely upon the Soviet Union.

Congratulates Bramuglia
Immediately after the vote, Jessup went over to Bramuglia and congratulated him for his efforts to bring Russia and the western powers together.

"You know that this is not over yet," Jessup told Bramuglia. "You know that you will have to continue working for a solution."

As he left the jammed hall, Vishinsky said to a reporter: "My position is perfectly clear. There is nothing to add to it."

The vetoed resolution proposed that Russia and the western powers lift all restrictions on communications with Berlin as soon as the four governments had been notified that the resolution was adopted.

It also provided that at that same moment the military governors of the four powers in Berlin would begin negotiations aimed at making the Soviet currency the single money for all of Berlin. The currency arrangement would go into effect by Nov. 20. The final provision called for a meeting of the Council of Foreign Ministers by Nov. 30 for a discussion of the whole German problem.

Refuse Russian Proposal
The western powers refused to negotiate on the currency issue until the blockade is lifted; Russia refused to raise the restrictions until the currency agreement actually is in effect.

There was no immediate indication what the next move would be. An authoritative British source said the big three western foreign ministers had arranged a meeting for 9:30 a. m. (2:30 a. m. CST) tomorrow to decide future steps.

This source said U. S. Secretary of State George C. Marshall, British Foreign Secretary Ernest Bevin and French Foreign Minister Robert Schuman would meet at the French foreign ministry.

Today's council meeting was delayed more than two and one-half hours, while Bramuglia consulted the western powers on a formula which he believed might be acceptable to Russia. The western powers, however, turned the new proposal down.

Mattoon Store Razed By Fire

Mattoon, Ill., Oct. 25.—(AP)—Fire that broke out in a downtown building today caused damage estimated at \$25,000 before it was brought under control.

Vigil James, proprietor of the Mattoon Furniture and Skegas company, placed loss to stock and fixtures at \$15,000. C. C. Redding, owner of the building, said there was \$10,000 in structural damage.

Fire Chief J. C. Weaver said the blaze probably originated in an oil burning heater.

IT GIVES COURAGE

(Detroit News)
A visiting Englishman, Arnold Lunn, in speaking before Detroit's First Friday club, went further than anyone else has gone in spelling out the historic importance of what we are doing via the airlift to maintain our lines in Germany.
Said he: "Today's battle of Berlin is as decisive in its way as was the battle of Britain over London in 1940."
Then he went on to justify this statement.
He said that whereas we in the United States are prone to think of the life as an operator whereby we feed hungry Germans and frustrate the Russians, the really important thing about it is that it has "put heart into all of Europe's timid people."
Many who were wavering a year ago, and others who had decided that the whole show was hopeless, have come to look at the air shuttle as the one convincing proof of America's determination to stick it out on Europe's behalf. It speaks to them more loudly than either the promises of our statesmen or the economic assistance growing out of the Marshall plan.
We are reminded from time to time that the air lift is expensive and is costing us about one million dollars every three days. But in view of the moral values which Lunn so clearly emphasizes, the costs are small indeed.

How Efficient Can You Get?—And Why?

By Saul Pett
(Pinch hitting for Hal Boyle)
New York, Oct. 25.—(AP)—So I'm a reactionary, an enemy of progress. So what? I still won't go to the 40th National Business Show which opens in New York today.
A spy whispered to me, "they are showing the latest high speed and electronic office machines which increase human output and efficiency in some cases more than 100 times. The new office equipment also has eye appeal."
How efficient can you get? And why? There's something terrifying in the way people are always figuring out ways to make us more and more efficient. And don't talk to me about eye appeal. I like what I see now. I'm looking at a red-headed secretary across the room and if any scientist tries to replace her with a machine I'll beat him over the head with a small electron.
One Gadget Fascinates Him
One thing they're going to have at the business show fascinates me, the rest scares me. This one gadget should help promote human relations in business offices which otherwise are growing more and more mechanistic.
It's called the "secretary's merry-go-round," which "allows one or two seated persons to float to any desired point within a large area, serving, for example, an executive between two or more desks."
Imagine the base of a barber's chair. That's what this thing is built on. On the base are two independent arms, which can swing backward or forward or around. On the end of each arm is a chair. At the other end is a tail light. Nobody told me what the tail light is for.
Robot Types 100 Letters Daily
This kind of thing intrigues me but when you start talking about "completely automatic typewriters" I get a little shaky. They've got one now which "permits complete typing of a letter from heading to conclusion without manual attention." That means, of course, I see less of the red-headed secretary.
This monster types about 200 letters and addresses 1200 envelopes in a day. It contains a dual roll, similar to a player-piano music roll. On one side is the letter, on the

other, the addresses.
The machine automatically reverses from one side to the other when a letter is completely typed. Envelopes are addressed by flicking a switch. Efficient, isn't it, but this typewriter doesn't wear nylons.
Fast Letter Opener
Also, there's a new lightning-fast letter opener. You put your letters in at one end and they come flying out the other already cut open, at the rate of 500 a minute. But you still have to read these bills yourself.
Also to keep you awake nights is an electric collar, and if anybody knows what a collar is, don't tell me. This one, they say, will deliver 1,500 sets of collated sheets an hour. An automatic device picks out imperfect sets. Perfect sets are jogged, stapled and delivered automatically in a criss-cross stack.
They'll be showing, too, a machine that can address and punch a tabulating card simultaneously, at the rate of 6,000 cards an hour.
Heating And Cooling Cycle
They've got another gadget for converted a used recording disc into a good as new one, which involves a heating and cooling cycle done within 21 seconds. And to symbolize the renewing life of the discs the gadget includes the likeness of a green-eyed cat, whose eyes flash and head wobbles.
Finally, there is a high-speed calculator which can figure a problem more than 100 times faster than any human, or so I'm told. All calculations of multiplication, division, cross addition and cross subtraction are handled electronically. You just put in your card, light a cigaret and the machine shoots your card out with all the answers before you've taken two puffs.
Put one of my expense accounts in the machine and it would probably spit fire and wrap handcuffs around my wrists, and that's why I'm not going to the 40th National Business Show opening in New York today.

NEW PAINT FOR BRITAIN'S NAVY

London — (AP) — The British Admiralty has developed a new grey paint which it claims largely does away with the use of scarce linseed oil as a binder. Synthetic oil is used instead.
The new paint, the Admiralty said, will last longer than the linseed oil-bound paint and is more impervious to seawater. It will have its first extensive use when the home fleet is repainted this winter.

TAKE TIME TO BE SAFE

The loss of an arm or leg is a high price to pay for saving ten seconds. When operating power machinery, take time to be careful.

Your life will be safer if you...

Observe these simple rules:

- 1 Shut off P.T.O. before attempting to unclog corn picker, baler, etc.
- 2 Keep all shields in place when operating machine.
- 3 Don't trust defective hitches, brakes, clutches, seats.
- 4 Never mount or dismount from a moving tractor. Don't ride on drawbar.
- 5 Don't wear loose, floppy clothing around power machinery.
- 6 Think first. After the accident it is too late.

This year a disabling injury probably will strike some farm person every 19 seconds. Don't let carelessness put your name on that list.

Optimist Week To Be Observed By Local Clubmen

Members of the Jacksonville Club are preparing for the 12th annual Optimist Week, which will be observed in this city from November 7th to 13th in conjunction with Optimist Clubs in every part of the nation and in foreign lands, according to a statement Monday by Judge Paul Fenstermaker, president of the local group.

"We are making up our minds today as to whom we will choose to lead us today," said Judge Fenstermaker, "but too few people are giving thought to the development of our leaders of tomorrow. Members of the Optimist organization throughout the country are working on this problem, through their activities aimed at guiding boys of impressionable age in the right direction. If we can impress one person in a thousand with the need for youth guidance and rehabilitation, we feel that our job has been worthwhile."

Judge Fenstermaker pointed out that the activities of the Optimist organization are not publicized in individual cases, and for this reason, little public attention is focused on the work that is done. "In spite of this fact," he concluded, "we know that our real reward is in seeing boys that we have helped in the past step forward to assume their rightful place in the community and assume their part of the burden of leadership in the affairs of the city and nation."

GROUP MEETING THURSDAY

Chicago, Ill.—A big improvement has been made in a new device now welcomed by thousands of deafened. It is so small it fits in the palm of the hand. Its clear noiseless tone is so efficient that even faint voices are understood. With it thousands now enjoy music, sermons and friendly companionship. Finger tip controls permit you to adjust it instantly to changing sound conditions. Accepted by the American Medical Association's Council on Physical Medicine. The makers of Beltone, Dept. 33, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement, they will gladly send you free descriptive booklet on how to overcome deafness and explain how you may try this miniature device in the privacy of your home without risking a penny. Glasgow Couple At Bird Show In Bloomington

Glasgow—Mr. and Mrs. William Powis, who raise and sell several types of canary birds at their home here, attended a canary bird exhibit and show at Bloomington Saturday.

Although none of the Powis birds could be entered in the show due to a delay in filing their entry blanks, a number of the birds, including some full-blooded German rollers, made the trip with them.

Hobart Haney of Quinter, Kans., and Mrs. Carrie Hammon of Denver, Colo., who are visiting relatives in this area, were guests of Mr. and Mrs. Claude Haney Wednesday evening.

Mr. and Mrs. Jack Bowman and children were entertained at a birthday supper Thursday evening in the home of Mr. Bowman's mother, Mrs. Lola Bowman, and aunt, Mrs. Eva Young, west of Glasgow.

LIKE TO FEEL THIS UNDER YOUR TOE?

Step out with Brand-New Fireball Power in your old Buick

THIS is a brand-new Buick engine. It's fresh from the factory—straight from the same assembly line where the engines in 1948 Buick cars are built.

If you'd like to boss it around—mister, that's easy, if you have any Buick built since 1937.

All we need to do is take out your old engine—and put this one in.

Then you can feel the thrill of a brand-new Fireball engine. You can enjoy all the pep, power and performance that you'd get if you had a 1948 car.

It's spick and span, from head to pan, with all the features that make today's Buick engine the pacesetter of the power parade.

And it can be yours in less than two days. Look at the list of what you get—the most complete power package ever. There's a brand-new ignition system—brand-new clutch, pistons, pins, rings, valves—even the water pump.

We can make this offer because engine output has outstripped new-car production at the factory. The cost? Much less than you think, although it varies a bit from model to model.

Come in today for detailed figures on bringing your old Buick right up to date on power.

Mrs. Mary Jones, Well-Known Local Resident, Dies

Mrs. Mary G. McMillan Jones, well-known Jacksonville resident, died Sunday at 11 p. m. at Passavant hospital, where she had been a patient since Sept. 5.

Born in Morgan county on Feb. 20, 1878, Mrs. Jones was the daughter of Thomas G. and Margaret C. Cleary McMillan. Her marriage to J. E. Jones took place in Seattle, Wash., in 1915. He was killed during World War I.

Mrs. Jones was graduated from the Jacksonville Female Academy in 1897, after which she attended Northern Indiana university and Leland Stanford university in California. She received her B. A. degree from George Washington university in Washington, D. C., in 1920 and her M. A. degree in 1922. She did work on her Ph. D. at Columbia university in New York City and at the University of Chicago. At Crown Point, Ind., she served as head of the history department.

Interested in Research

Outstanding in historical research, Mrs. Jones had made extensive studies of the Civil War period and was opening a new field of history.

She was a member of Westminster church, of the State and County Historical societies, National Kappa Delta sorority and Sigma Nu chapter at Washington, D. C. Since 1932, she had successfully managed the McMillan farm on Vandalla Road.

Surviving Relatives

Surviving are a half-brother, Leland Norris of Kansas City, Mo.; an aunt, Mrs. E. E. Epler of Pasadena, Calif.; three nieces, Mrs. Charlotte Wells of Pasadena and Mrs. Robin Strawn and Mrs. Clyde Trafton of Jacksonville; three nephews, J. Franklin Epler of Jacksonville, Emory H. McMillan of Madison, Wis., and Leland Norris, Jr., of Kansas City; several cousins residing in New Berlin; and a sister-in-law, Mrs. Josephine McMillan of Madison, Wis.

Mrs. Jones was preceded in death by her sister, Sarah E. McMillan, who died June 23, 1939.

Funeral services will be held Wednesday at 2 p. m. at the Gillham Funeral Home, with the Rev. Arthur F. Ewert officiating. Burial will be in Diamond Grove cemetery.

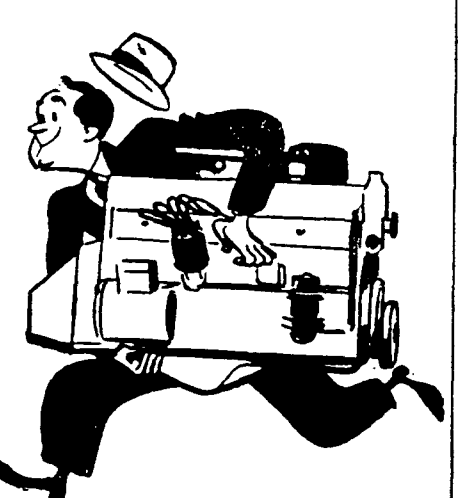

The family will meet friends at the funeral home Tuesday evening from 7 to 9 o'clock.

Brother And Sister Each Suffer Broken Legs In Car Wreck

Two broken legs were sustained by both occupants of an automobile which plunged into a ravine north of Manchester at 8 o'clock Sunday morning when a tire blew out, causing the driver to lose control.

Donald G. Evans, 61, of Racine, Wis., who was driving, and his sister, Mrs. Ruth Wilmert, 64, of Lincoln, Ill., were victims of the unusual accident.

Mr. Evans and his sister braced themselves as the car left the pavement on a sharp curve north of Manchester. The force of the jolt when the car jumped into the ditch snapped the legs of each.

Mrs. Wilmert sustained fractures of both ankles, one fracture being described as severe. Her brother's injuries were not serious, although he, too, is in casts.

The condition of both patients was described as satisfactory Monday at Passavant hospital. They were taken there in the Weife ambulance from Roodhouse a short time after the accident.

Mr. Evans and Mrs. Wilmert were attended by Dr. Ellsworth Black and Dr. E. C. Bone.

The wreck happened while the two were en route to White Hall to visit another brother, W. W. Evans. The car did not turn over despite its rough course into the ravine at the side of the highway.

The scene of the wreck is on U. S.

PHILIPPINE HEMP OUTPUT SLUMPS

Manila — (AP) — Annual Philippine hemp production may drop by almost 200,000 bales before the year's end. This prediction was made by Antonio Lejano, manager of the government's fiber inspection service.

Lejano said that "probably production for 1948 may hardly reach 600,000 bales." This compares with an abaca total of 790,000 bales in 1947. Lejano attributed the decline mainly to "butcher harvesting" by squatters who have taken over plantations formerly tilled with care by Japanese owners in hemp-rich Mindanao.

Slick-Haired Prowler Tries To Steal 3 Cars

Three unsuccessful attempts to steal automobiles were made within the space of an hour here early Sunday morning. In one instance the would-be thief was chased by the owner of a car, who obtained a fairly good description of the fugitive.

D. Williams, 123 West College avenue, reported to the police department that he discovered a man tampering with his car in front of his home. Williams attempted to catch the man, whom he described as medium build, wearing a dark coat and dark trousers. The fugitive did not have on a hat.

After losing the race with the prowler, Williams reported the occurrence to police. Chief Kiloran and Capt. Ike Flynn began an investigation, which grew in scope during the next hour.

At 12:36 a. m. Sunday, about 15 minutes after the attempted theft on West College avenue, someone tried to steal a car belonging to O. B. Cannon, Jr., from its parking place on West Morgan street, south of the Illinois Tire & Battery Company building.

Police learned that the wires were pulled loose in an attempt to run a wire around the switch, to permit the starting of the car. Persons in the neighborhood said a man of medium build had been tampering with the car. An observant person reported to officers that his hair was "slicked down very slick."

Shortly before 1 a. m. a thief believed to have been the same as at the other two places, tampered with

Former Pleasant Plains Man Dies; Attended Whipple

Pleasant Plains — Harry Dallas Hayes, 71, a former resident of this community, died Saturday morning at the Denver General hospital in Denver, Colo.

Mr. Hayes was the eldest son of the late Mr. and Mrs. Joseph W. Hayes, pioneer residents of Pleasant Plains. He attended school in the community and was a graduate of Whipple academy at Jacksonville.

He went to Chicago about 35 years ago where he took up the electrical trade.

Survivors in clude three sisters Misses Maude M. and Rose Hayes, both of Pleasant Plains, and Mrs. Zella Hibbert, of Ingleswood, Calif., and one brother, A. W. Hayes, of Huntington, W. Va.

The remains arrived Monday morning and were taken to the Hensley funeral home in Pleasant Plains.

They will be removed Tuesday afternoon to the residence of his sisters in Pleasant Plains, where funeral services will be held at 2:30 p. m. Wednesday. The Rev. G. W. Hinshaw of Springfield will officiate and burial will be in Pleasant Plains cemetery.

Pittsfield Homecoming Slated This Weekend

By John Campbell
White Hall—(Special)—Pittsfield's homecoming will be celebrated this weekend as the team returns from the 1948 Illinois Valley conference title game. Friday night opponent, doesn't offer too much of a threat.

Kattelman Kicks Point
Captain Bob Kattelman of the Pittsfield team kicked the extra point which brought victory over the Panthers—considered the toughest hurdle of the season. Kattelman didn't see much action during the crucial victory, however. He injured his ankle in the Greenfield game two weeks ago and had to miss the Pleasant Hill tilt before playing several minutes against Jerseyville. It isn't anything new to the Sauksee, though. Last season he was injured and had to sit on the sidelines during the important game with Roodhouse which decided the 1947 title.

Coach Smith's Pittsfield teams have won four consecutive games over Carrollton.

Battle To Draw
White Hall and Greenfield argued over third place in the loop before a large Friday night crowd. The bout was a draw and the two elevens are still in a tie.

Both aggregations will be favored this week. Winchester is host to Greenfield. Pleasant Hill plays at White Hall. The Wildcats of Coach Howard Lester have by far the best chance of pulling an upset.

Jerseyville has one of its best opportunities in history to knock off Roodhouse.

All Ivy combats will be played on Friday night this week, with the exception of Greenfield at Winchester, which is slated for Thursday night.

Illinois Valley standings:

| Teams— | W | L | Pts. | O.P. |
|---------------------|---|---|------|------|
| Pittsfield | 4 | 0 | 99 | 6 |
| White Hall | 3 | 1 | 91 | 26 |
| Jerseyville | 2 | 1 | 66 | 56 |
| Greenfield | 2 | 1 | 73 | 06 |
| Carrollton | 2 | 2 | 34 | 64 |
| Winchester | 1 | 3 | 45 | 48 |
| Roodhouse | 1 | 3 | 21 | 79 |
| Pleasant Hill | 0 | 4 | 13 | 111 |

Five top Ivy scorers:
Bailey, Jerseyville, 56
Barnard, White Hall, 34
Stuart, Winchester, 26
Cocharn, Greenfield, 24

Bury Babe Ruth Near New York Yesterday

New York, Oct. 25.—(AP)—Under gray skies the body of Babe Ruth was laid in its final resting place Monday.

Only a handful of the millions of fans who idolized America's greatest sports hero, was present as the mahogany casket with "George Herman Ruth" on its silver name plate, was lowered into a self-sealing concrete vault beneath the earth.

The scene at the gate of heaven cemetery in nearby Westchester county contrasted sharply with the funeral services of Aug. 19.

The funeral plans had been closely guarded. Interment had been held up last August to give Mrs. Ruth time to select the plot in the cemetery's rose window section. The Babe's grave is only 200 feet from where former Mayor J. Walker of New York rests. The two were close friends.

Suspend Grid Star For Professional Baseball Activity

Olean, N. Y., Oct. 25.—(AP)—The athletic director of St. Bonaventure college Monday suspended John Collins, punting star of its unbeaten football squad, from all future intercollegiate competition.

The Rev. Silas D. Rooney, O.F.M., said his action "was brought about when Collins admitted to playing baseball with the Schenectady professional baseball team during the summer of 1948 after an outside query had instigated an investigation."

Coach Hugh Devore said the suspension of the substitute fullback from Mriarcliff Manor "is really a blow."

"Collins is one of the finest, nicest kids I've ever known," Devore said. "He told me he just tried to pick up a few bucks to help his mother and dad out."

Schenectady is in the Canadian-American league.

Markets at a Glance

New York, Oct. 25.—(AP)—

Stocks—Lower; steel lead decline.

Cotton—Hedging and liquidation.

Chicago

Wheat—Firm; mill buying; export sales slack.

Oats—Steady; trade light.

Soybeans—Firm; commission house buying.

Hogs—25 to mostly 50 cents lower; top \$26.00.

New York Stock Market

New York, Oct. 25.—(AP)—Selling pressure centered on steel stocks today and pushed the stock market lower. The volume of trading was round 1,100,000 shares for the entire day.

Prices were off fractions to around a point with some of the leading issues dropping as much as 2 points at times.

Around mid-day a brief rally was started that lifted the list above the earlier low points, but that rally failed to carry through. The backtracking in later dealings fell short of the day's lowest levels.

The recession was termed a technical reaction by brokers who said the market absorbed selling without developing any alarming weakness. Although the volume of business was well above a great many of the sessions of this month, it still was far short of the 1,800,000 share day Friday when the largest gains since mid-year were made.

Although steel stocks were lower, they held fairly steady with demand running second only to steel.

Oil stocks at one time were higher against the trend of the list as a whole, but they joined the general movement later. Rails were lower and not very active.

WHEAT MOVES INTO HIGHER GROUND; CORN WEAK, OATS STEADY

Chicago, Oct. 25.—(AP)—Wheat inched up into new high ground since July on the Board of Trade today. There was nothing spectacular about the bread cereal's advance, but it lacked up in steadiness for what it lacked in fireworks.

The firmness of wheat aided some other cereals, although corn was weak most of the day. Arrival of 643 cars of cash corn here depressed that grain, which got down close to new seasonal lows. Cash prices eased around 1 to 3 cents.

There was little pressure against wheat. Traders noted the government took 1,441,911 bushels of cash wheat last week-end, continuing its persistent buying. Some wheat also was going abroad through private export channels, Holland buying a cargo over the week-end.

Receipts were: wheat 13 cars, corn 643, oats 44, soybeans 514.

Wheat, closed 5-1 higher, December \$2.293-1/2, corn 3-1 lower to 2-1/2 higher, December \$1.373-1/2, oats were unchanged to 3-1 higher, December 77, rye was 23-3/4 higher, December \$1.823, soybeans were 2-1/2 to 4 cents higher, November \$2.49-2.494, and lard was 8 to 15 cents a hundred pounds higher, November \$19.25-19.27.

East St. Louis Livestock

National Stockyards, Ill., Oct. 25.—(AP)—(USDA)—Hogs, 15,000; market 25 to 50 cents lower than Friday's average, closing at full decline and spots off more; top early 26.00; good and choice 180-280 lbs early 25.75-26.00, mostly 25.75; moderate numbers late 25.50; 160-170 lbs 25.50-75; most 130-150 lbs 25.50-25.50; few 25.75; 100-120 lbs 25.50-22.75; sows 400 lbs down 23.25-25.00; over 400 lbs mostly 21.75-22.50; few down to 21.00; bulk stags 18.00-19.00; few to 20.00.

Cattle, 7,500; calves, 2,000; little done on steers, heifers and cows; general undertone and early bids unevenly lower; bulls and vealers opened steady; medium and good bulls largely 19.50-21.25; cutter and common bulls 16.00-18.50; good and choice vealers 28.00-34.50; common and medium 17.00-27.00.

Sheep, 5,000; largest supply in two years indicated; fully third of year yearlings; nothing done early; asking steady prices but opening bids sharply lower on lambs.

CHICAGO LIVESTOCK MARKET REPORT

Chicago, Oct. 25.—(AP)—Hog prices dropped to mostly 30 cents today, topping at \$26.00 per hundredweight. Receipts were fairly heavy at 12,000 head in the saleable market, augmented by 1,500 in direct shipments.

Slaughter cattle were unevenly steady to \$1.00 lower, with the most decline on common and medium steers. The steer top was \$38.50 for a load of choice 1,100 pounds. Vealers sold at \$27.00 to \$31.00. For a load of choice 1,100 pounds. Vealers sold at \$27.00 to \$31.00.

Slaughter lambs were weak to 25 cents off. The practical top was \$24.75 for good to choice native lambs.

Salable receipts included 14,000 cattle, 600 calves and 4,000 sheep. There also were 1,000 sheep shipped direct to packers.

HAWKEYES TAKE REST

Iowa City, Ia., Oct. 25.—(AP)—It was a Hawkeye holiday for Iowa's football team Monday as the griders took a complete rest from practice.

Eagles Upset Bears; Cards Thrash Boston

BR RALPH RODEN
New York, Oct. 25.—(AP)—Although the pennant races in the All-American conference and the National Football League are extremely tight the attendance at the games continues to be disappointing.

Only 106,717 fans turned out for five National League scraps yesterday and 107,672 for four All-American conference games.

The National's biggest crowd, 36,227 fans, showed up at Philadelphia and watched the Eagles beat the Chicago Bears, 12-7, in a driving rain. The victory was Philadelphia's first over the Bears in history and it dumped the Bears from the unbeaten ranks and into a first place western division tie with the defending champion Chicago Cardinals. The Cards crushed the Boston Yanks, 49-27.

Browns Wallop Yankees
Cleveland's defending champion Browns drew the largest All-American gathering, 46,912. The Browns rewarded the home turnout by beating the New York Yankees, 35-7, to remain a half game behind the San Francisco 49ers in their western division flag battle.

The 49ers, at home, for the first time in five games, nipped the Baltimore Colts, 21-10, with a rally to run their unbeaten streak to nine games. The Browns have won eight without a loss. Only 27,978 fans welcomed the 49ers home.

Cliff Patton's 38-yard field goal in the last period and a safety gave the Eagles their margin of triumph over the Bears, who dropped their first game in five starts.

Cards Rout Yanks
The powerful Cardinals, before 23,423 spectators at Chicago, spotted the Yanks a 6-0 lead and then blasted across 14 points in the second period and 35 more in the third to win going away.

San Francisco wiped out a 10-1 half time deficit in beating Baltimore, eastern half conference leaders. The 49ers posted seven points in the third period and 14 more in the final. Joe Perry and Nick Suseoff tallied the 49ers' two last period touchdowns.

Otto Graham was the star in Cleveland's victory over the Yanks. The great quarterback pitched four

touchdown passes and scored once in completing 21 out of 30 passes for 310 yards.

The loss dropped the Yanks into a last place tie with the Brooklyn Dodgers. The Dodgers humbled the lowly Chicago Rockets, 35-14, before the smallest crowd of the day, 5,964 fans at Chicago.

Bills Whip L. A. Dons
Buffalo's Bills pulled to within a game of Baltimore by beating the Dons, 35-21, before 26,818 customers at Los Angeles. George Ratterman was the big gun in the Buffalo triumph. Ratterman passed for a total of 310 yards and set up all but one of his team's touchdowns in out-pitching Glen Dobbs. Dobbs threw all three of Los Angeles' six-pointers.

The Washington Redskins downed the Green Bay Packers, 23-7, to remain a half-game behind Philadelphia in the National's eastern sector pennant scramble.

The New York Giants edged the Pittsburgh Steelers, 34-27, to tie the Steelers for third place, one game back to Washington. Charley Connerly sparked the Giant drive with two touchdown heaves, before 13,443 fans at the Polo Grounds.

AL Grid League Asks Parley With Rival Conference

New York, Oct. 25.—(AP)—In a public plea to end the "war" between the two big professional football leagues, Admiral Jonas Ingram, All-America conference commissioner, today invited National Football League leaders to sit down and iron out the problems of a common draft and co-ordinated schedules for the two circuits.

Speaking at the weekly luncheon of the Metropolitan Football Writers' association, Ingram said he was opposed to all kinds of war and he believed a peaceful solution to the problem could be reached.

He insisted, however, that his talk was not an indication of weakness within his league but rather that it was an effort to make his position clear in view of recent statements by club owners that some clubs would "fold" if the inter-league tussle was not terminated.

"The All-America conference has been in existence three years and it now is stronger than ever before," he said. "Our average attendance this year is better than ever before, although some clubs are weak. I am sure that in 1949 we will have the same eight teams with even better player and eight of the finest coaching staffs in America."

Ingram emphasized that his talk was a public invitation to the National League club owners to hold a peace session but added: "I think I have done practically all I can do. The next move should come from the National League. I am ready to meet anybody on a common plane at any place and any time."

Only 36 College Elevens Retain Perfect Records

New York, Oct. 25.—(AP)—Sixteen more college football teams were tied or beaten last week and today only 36 schools still can boast or perfect records.

Army and Cornell, two of the major powers, hooked up in a duel of all-conquering elevens and the Big Red fell, 20-6.

Penn State, tied 14-14 by Michigan State, was the only other major outfit to drop out. The other top teams in the select set are California, Michigan, Notre Dame, North Carolina, Army, Georgia Tech, Nevada, Penn and Clemson.

Others tied or beaten during the week included Lawrence (Wis.), Illinois (Jacksonville) College, Loras and Anderson (Iowa).

Purdue Grid Team Hit By Injuries

Lafayette, Ind., Oct. 25.—(AP)—Coach Stu Holcomb gave his injury-depleted Purdue University football squad a complete rest Monday in an effort to give the ailing griders some chance to recuperate.

Holcomb found himself minus his three right tackles as a result of Saturday's tilt at Illinois. John Beletic, promising right tackle, has been ruled out of Saturday's game with Marquette because of a sprained ankle. Pete Barboika, with a side injury, and Mike Kalapos, suffering head injuries, are both listed as doubtful at the tackle position.

Right Halfback Norb Adams has been sidelined with chest injuries.

CHICAGO BLACKHAWKS IN PLAYER TRADE WITH RED-WINGS

Detroit, Oct. 25.—(AP)—A three-for-two player trade with the Chicago Blackhaws was announced today by the Detroit Red Wings of the National Hockey league.

Detroit is giving up left wings Jim "Pencil" Canacher and Armand "Bep" Guldolin and defenseman Doug McCaig in return for right wing Norman "Bud" Poile and center George Gee.

HOLD PASSING DRILL

South Bend, Ind., Oct. 25.—(AP)—Notre Dame's varsity went through a long passing drill Tuesday against the freshmen.

Games This Week To Identify Grid Bowl Participants

By WILL GRIMSLEY
New York, Oct. 25.—(AP)—College football swings into the back-stretch this week with games that should go a long way toward identifying the major bowl principals.

California's potent Bears look like a cinch for the Rose Bowl if they can squeeze by Southern Cal Saturday at Los Angeles. The Pasadena game may be decided at Evanston where Northeastern engages Ohio State.

Down in Dixie, unblemished North Carolina and Georgia Tech, clicking close to their telephones for Sugar, Orange or Cotton Bowl fellers, run into large humps in their schedules.

Nebraska Predicts Upset
The N. C. Tar Heels play Tennessee at Knoxville and Vols' coach Bob Neyland, a renowned pessimist, already has predicted an upset victory for his boys.

Tech's frisky Yellowjackets meet an undefeated Duke team that has been getting progressively better after two opening season ties.

The southwest feature is Southern Methodist against Texas at Austin. The victor in this one could well land in the Cotton Bowl although both must reckon with Baylor, which has only a tie on its record.

The job for the Bowl promoters was further simplified last Saturday when two of the 11 unblemished teams were stricken from the list.

Army's powerful machine rolled over Cornell, 27-6, handing the Big Red its first smudge.

Nine With Perfect Marks
Penn State, riding a victory string that covered the 1947 season, was tied by Michigan State, 14-14.

The nine left without defeat or tie in major ranks are: Michigan, Notre Dame, North Carolina, Georgia Tech, Clemson, Army, Pennsylvania, California and Nevada.

Of these, Michigan, Notre Dame and Army aren't bowl candidates and Pennsylvania, as an Ivy leaguer, is not overly receptive to bids.

Michigan, victor over Southern Cal in the Rose Bowl last year, can't return because of a conference rule against repeat performances. Notre Dame and Army don't go in for the post-season extravaganzas.

Harry Grabiner, Vice-President Of Indians, Dies

Chicago, Oct. 25.—(AP)—Harry Grabiner, who rose from peanut vendor to vice president of the Chicago White Sox, died in a coma yesterday 48 hours after undergoing an operation for brain tumor.

Grabiner was with the Comiskey club 41 years before resigning in 1945. In 1946 he became associated with Bill Veek as vice president of the Cleveland Indians.

Although only 57, Grabiner was third only to Connie Mack of the Philadelphia Athletics and Clark Griffith of the Washington Senators in years of American League service.

He served as usher, vendor, ticket seller and grandstand sweeper before being appointed assistant secretary of the Comiskey organization at the age of 15. He became secretary in 1915 when Charley Fredricks died.

By the time the New York Giants and the White Sox met in the 1917 world series, Grabiner was general manager and vice president, positions he held for 28 years.

Grabiner entered St. Lukes hospital in Chicago last Monday for a routine examination which revealed the brain tumor.

Michigan Prepares For Weekend Game With Illinois U.

Ann Arbor, Mich., Oct. 25.—(AP)—The Michigan Wolverines took a look at movies Monday of their most highly-prized victory of the season, the 27-14 win over Minnesota Saturday.

Following the films, Head Coach Bennie Oosterbaan sent his men out to the practice field.

The varsity began the job of learning the typical plays of Illinois, next Saturday's opponent, and some line and backfield drills were thrown in for good measure.

The squad returns to full length sessions Tuesday with all attention to the fighting Illini.

Indiana Gridders Hard At Work

Bloomington, Ind., Oct. 25.—(AP)—Indiana University went through its longest drill of the season Monday as the Hoosiers prepared for Saturday's game at Minnesota.

Coach Clyde Smith juggled his lineup during the session. Senior Frank Hoppe went back to left end, replacing sophomore Ernie Kovach, and sophomore Ernie Hugget was advanced to a first string backfield position. He will alternate with Johnny McDonnell at right halfback.

Smith dropped Ralph Goldson, the team's leading pass receiver, to the third string. Del Russell went into the tailback spot, replacing George Taliaferro, slowed by a charity horse.

HOLD SECRET PRACTICE
Evanston, Ill., Oct. 25.—(AP)—Northwestern University's Wildcats held secret practice Monday in preparation for the invasion of the Ohio State Saturday.

Cancel Grid Practice At High School, I.C. Monday Afternoon

Illinois School for the Deaf, only undefeated grid team in Jacksonville, was the only one of the city's three clubs holding practice Monday afternoon.

The Tigers, the only eleven which has been able to shake the injury jinx this season, still reported over-all condition as good. David Early, regular halfback, came out of the Kincaid game with a charity horse and will take it easy in scrimmages. He'll be ready to go against Indiana Saturday afternoon, however.

The westenders leave for Indiana Deaf school Friday morning. They'll attempt to keep their record unblemished against a team which has about a 500 reading this year.

Coach Art Yates didn't work his charges too hard Monday afternoon. He spent some time on a few new plays.

Give Players A Rest
Coach Bob Kraushaar gave his Jacksonville high school varsity the afternoon off to recuperate from a 40-0 blasting by Feltschans and a 33-0 licking by Carlinville.

Coach Al Miller of Illinois college called a meeting of his griders to count noses after a staggering injury list in the Illinois Wesleyan game Saturday afternoon.

The Blueboy backfield is in poor shape. I.C.'s big problem this week will be to throw together a combination which might be able to make yardage against James Millikin university in the home-

coming feature at the Decatur school next Saturday afternoon.

Three of I.C.'s first five backs—Joe Hill, Art Wilson and Dave Billings—are definitely out of the next fray. Bob Grove, although injured slightly, will be able to play. Bill Gross is a definite question mark. If he does play, he won't be fully effective.

Other Worries
But that isn't all. Bob Scheller, second string quarterback, has torn muscles in his back.

Ed Ryan, Bill Schroeder and Art Williamson are the only other backs who can expect to do battle against the Big Blue. Ryan and Schroeder are playing their first season of college football. Williamson is in his second year on the squad.

Coach Miller indicated Monday that he'll move linemen into the backfield before the Millikin game. George Florence will probably be used at fullback. And there may be other changes.

The I.C. line apparently is in fair shape. There are no crippling injuries in the forward wall which turned in a sterling exhibition last Saturday.

Will Beat Millikin
"We'll ruin Millikin's homecoming Saturday the way Wesleyan ruined ours," Coach Miller predicted. He's depending upon this line to repulse Millikin's scoring threats. "Somehow we'll score enough to beat them," he said.

"Illinois college still can win the COI title, or for it," Miller said. Only activity on Jacksonville high school's field was provided by Coaches Hal Wimberly and Farrel Patterson, who were running the second team through rehearsal for a Thursday night date at Winchester. The game will be played at 6:30 p.m., as a preliminary to the varsity contest between Winchester and Greenfield.

Have Open Date
Coach Krausner said that the Crimsons will be back near full strength for their game against Havana a week from Friday night, unless there are some injuries in practice sessions between now and that time. Havana is the next J.H.S. opponent—the Crimsons have an open date this weekend.

Tom Mills, utility back, is a casualty. A shoulder injury will keep him out of action for the remainder of the year.

There'll be some changes in the takes to the field again

The Loves of Carmen
By SOPHIE KERR
Copyright, 1948, MEA SERVICE, INC.

XXV
DANCAIRE and Pablo removed from their pockets the valuables they had taken from the stage coach passengers and piled them on a blanket. The furious voices of Carmen and Don Jose could be heard from inside the cave. The words were undistinguishable but the yelling left no doubt as to the ferocity of their quarrel. Pablo gave a thin smile of pleasure as he listened.

Dancaire said, "Dog and wolf. It's beginning, just as I said. Dog and wolf." He peered into the dark cave.

Against the far wall Carmen stood in the firelight, shouting, "I knew you would be soft! I said it! Take your conscience and make some other woman a present of it. I tell you I want none of it!" She turned her back on him.

Jose took her by the shoulders and spun her around to face him. "You would do well to borrow part of my conscience."

His fury was so real that her own anger died. She slid her arms around his neck. "You wouldn't love me nearly so much if I had a conscience, Joseito. It is sufficient excuse just to say I am a gypsy." She kissed him teasingly. "And I don't know right from wrong." With her lips against his face, Carmen said, "Tell me what is right, Joseito. What is wrong?" She kissed him again, talking against his mouth. "Is this wrong, little soldier?"

He clutched her in his arms, defeated. Dancaire and Pablo noticed that the shouting from inside the cave had ceased abruptly. There was a long silence during which Pablo looked toward the cave, the smile

disappearing from his face, his eyes sullen. Dancaire laughed at him. "What is the matter, Pablo?" Pablo looked at him defensively. Dancaire taunted him, amused. "You enjoy listening to their quarrel, but you can't stand to listen to their silences, can you, Pablo?"

THE next day Carmen on her mule came riding leisurely along the high road. She had large empty baskets slung on either side of the mule for she intended to buy provisions in the city. A carriage with a driver and a footman overtook her and was forced to stop because she held blithely to the center of the road, blocking the way.

The footman shouted, impatiently, "Get out of the way, gypsy! We're in a hurry!" Carmen's eyes danced with malicious amusement, and she grinned broadly. "Well, now, in a hurry, are you?" She leaned back on the mule on her elbow, almost lying down across his back, thoroughly relaxed, her foot wagging up and down impudently. "Isn't that too bad, now? Because I'm in no hurry at all."

Furiously, the footman scrambled down from his perch on the carriage. Carmen slid from the back of the mule, stooped and picked up a stone, ready for combat, when the passenger of the carriage, wondering at the delay and commotion, stuck his head out.

It was Lucas, the matador. He was surprised and delighted as he shouted, "Carmen!" Carmen looked startled, then amazed. The stone fell from her hand and she threw her arms wide in a gesture of greeting. "Lucas!"

The mule was hitched to the back of the carriage and Carmen rode into town on soft cushions at the bull fighter's side.

Company Asks \$6,000 For Surveys, Drafting Of New Zoning Laws

The city council received last night a written proposal by Harland Bartholomew & Associates of St. Louis, Mo., for preparation of a new zoning ordinance, which would entail a complete survey of the city and an exhaustive study of all areas and conditions affecting them. For its services the company asked the sum of \$6,000.

Past Regents Hear State D.A.R. Head At Meet Monday

The past regents of the Rev. James Caldwell chapter, Daughters of the American Revolution, held a luncheon Monday at the Dunlap hotel. Mrs. W. E. Rexroat, chairman, presided over the meeting and welcomed all members and guests. Mrs. S. Black led the pledge of allegiance to the flag and the invocation was given by Mrs. Arthur F. Ewert. Mrs. Helen Brown Read presented Miss Doris Souza who sang several numbers, accompanied by Mrs. Read.

Mrs. G. B. Goldsmith and the Waverly members decorated with fall flowers, leaves and ferns. Hostesses were the Past Regents Mrs. Edith Kirby Wilson, Mrs. Elizabeth Huff, Mrs. Frank J. Waddell, Mrs. J. Marshall Miller, Mrs. Sarajane Matthews Brown, Mrs. Hema Zachary, Miss Olive Burnett, Mrs. Paul Allyn, Mrs. W. E. Rexroat and Mrs. Paul S. Black.

After lunch the chapter adjourned to the County Fair room to hear Mrs. Thomas E. Maury, state regent of Aurora, who gave a report of the national board meeting of the D.A.R. at Washington, D.C. Mrs. Maury reported that the Illinois Daughters are third in national D.A.R. membership. She also stated that the D.A.R. owns more than five million dollars worth of property in Washington.

The present regent, who was introduced by Mrs. Rexroat, announced that the next meeting to be held Nov. 5 in Springfield, will be a joint meeting of the Springfield, Petersburg and Jacksonville chapters. A luncheon will be held at 12:30 at the St. Nicholas hotel. Reservations should be made with Mrs. Baxter by Nov. 2.

John Thomas Shaw, Former Mailman, Dies In Greene

Roodhouse—John Thomas Shaw, 81, died at his home here at 8 a.m. Monday. A retired rural mail carrier, he was born in Blackwell, Okla., on April 6, 1867. He was a member of the Roodhouse Methodist church, the I.O.O.F., the Modern Woodmen of America and the Rebekah lodge. Mr. Shaw is survived by four sons, Anderson of White Hall, Kenneth and Robert of Roodhouse and J. T. Shaw of Chicago; three daughters, Mrs. T. S. Roe of Springfield, and Mrs. C. C. Giller and Mrs. Hal Gilmore of Roodhouse; and one half-brother, Louis Shaw of Blackwell, Okla. His wife, Laura, preceded him in death some years ago.

The body is at the Mackey funeral home where it will remain until the time of the services which will be held at 2 o'clock Wednesday afternoon at the Roodhouse Methodist church. The Rev. P. G. Batty will officiate. Burial will be in the Fernwood cemetery.

Funeral Services For Fred W. Rigg Take Place Sunday

Services in memory of Fred W. Rigg took place Sunday at 2 p.m. at the Williamson Funeral Home. The Rev. L. R. Cronkrite was the officiating minister. Music was furnished by Mrs. Earl Hempel, soloist, with Mrs. G. O. Webster at the organ.

The numerous floral tributes were cared for by Mrs. Robert Mawson, Mrs. Dale Mawson, Mrs. Harry Maurer, Fallbeers and William L. Haden. Walter Fearnough, Harold Hamel, Paul Carpenter, Harold Tomhave, J. Edward Allen, Floyd Allan and Edgar Baylis.

Morgan Draftees Face Test Nov. 1

E. E. Neff, chairman of the Morgan County Selective Service board, announced Monday that it had received word that 25 men between the ages of 24 and 25 would be given their pre-induction examination at Springfield on Nov. 1.

All the men will be from Morgan county, including Jacksonville.

Mr. Neff said that there are sufficient names to meet the call. This is the first call for men received by the local board.

Navy Club Plans Dance Wednesday At Amvets Hall

The Navy club dance, to be held Wednesday at the Amvets hall, will feature Len Westfall and his "Band With the Beat." The dance is under the direction of Kenneth Cannon, general chairman; J. P. Beadles, advertising; and Ray Jones, tickets. It is being staged to raise funds necessary to promote the expansion of the organization.

The Navy club, Ship 112, Jacksonville detachment, was organized in January, 1947, by Ship 32 of Springfield, and has as its aim "to further, encourage, promote and maintain comradeship among our members, to revere, honor, and perpetuate the memory of our departed shipmates, and to promote and encourage further public interest in the U. S. Navy and its history and to uphold the spirit and ideals of our Navy."

Membership in the club is open to all ex-Navy personnel in the Jacksonville vicinity. Anyone who is interested in becoming a member may obtain information from Kenneth Cannon at the Emporium, or from any other club member. Present officers of the club are: Commander, Willis Roper, senior executive officer, C. P. Siegler, junior executive officer, Ray Jones, ship's writer, P. Beadles, paymaster, Raymond Hart, chaplain, Ted Coats, and master-at-arms, Harry Angelo.

Rites Wednesday In Waverly For Mrs. Eva Crank

Waverly—Mrs. Eva Crank, 65, died at 1 p.m. Monday at the home of her daughter, Mrs. Clifford Woods. A daughter of Charles and Josephine Lyons, she was born near Waverly on Aug. 22, 1883.

She is survived by two daughters, Mrs. Woods and Mrs. August Brown; one son, Wayne, and one sister, Mrs. Lillie Teaney, all of Waverly; nine grandchildren; and one brother, Jess Lyons, of Peoria. Her husband, James, preceded her in death.

The body is at the Neece Funeral Home at Waverly where services will be held Wednesday afternoon at 2 o'clock. The Rev. Francis E. Smith of Mechanicsburg will officiate. Burial will be in the Waverly East cemetery.

The present zoning laws were adopted in 1926. Many problems in connection with zoning have arisen, which led to a decision several weeks ago to consult a firm which specializes in city planning. Public Hearings Nov. 5.

Alderman Kelly of the ordinance committee announced that public hearings on two petitions for rezoning will be held Nov. 5 at 7:30 p.m. These involve a lot in the 800 block on North Main street where the Seven Up Bottling Company proposes to erect a building, and a lot on Johnson street where a beer wholesaler proposes to put up a warehouse.

The early part of the council meeting was devoted to a discussion of whether Lake Mauvalster should be seined of rough fish. The council voted to ask the Illinois Department of Conservation to "sample" the lake, determining the density of the fish population, before taking action on the question of seining. The state department is expected to make a scientific check of the lake within the next week or two.

Large Amount Of 1948 Grain Crop Under U.S. Loans
Washington, Oct. 25.—(AP)—Farmers have placed 189,555,404 bushels of this year's crop of small grains under government price-supporting loans and purchase agreements, the agriculture department reported today.

These grains—wheat, oats, barley, rye and grain sorghum—have been selling at or below prices at which farm laws require the department to support them.

Of the amount under support programs, 171,647,536 bushels were stored under loans giving the grower the privilege of reclaiming the grain later, should prices advance.

The balance, 17,907,868 bushels, was committed for sale to the government at price support rates.

Wheat made up the bulk of the grain placed under support programs.

80th Congress Lauded For Uncovering Reds In U. S. Government

Addressing members of the Morgan County Woman's Republican club at their meeting Monday afternoon at the Dunlap hotel, Miss Lillian Schlagenhauf, Adams county attorney and assistant attorney general of Illinois, warned against the three dangers which now face America.

These dangers, "any one of which might destroy our form of government," declared Miss Schlagenhauf, are inflation, communism and collectivism.

Miss Schlagenhauf criticized President Truman for making a "political football" of inflation and for putting the issue on a personal basis by recalling Congress, daring them to give him certain powers, the grantings of which would have been a personal triumph to him and a source of humiliation to Congress.

The speaker contended that President Truman "did not expect to get those powers," but asked for them for the sole purpose of shifting the blame for the failure to curb inflation on Congress.

Miss Schlagenhauf asked members of the audience to recall how shocked the world was at the fall of the Maginot Line when German troops penetrated France's stronghold. "It was not superior German strength or military tactics which broke that stronghold, but betrayal from within."

Threatened With Betrayal
America is now faced with a like danger from the subversive elements within its own boundaries. "Our foreign diplomats," declared Miss Schlagenhauf, "have literally betrayed us into the hands of our enemies" by making appeasement where appeasement should not be made.

These diplomatic blunders, continued the speaker, are traceable to an administration which has ignored reality and has viewed things "Not as they are, but as it would like them to be."

"America is now infested with men and women who believe in other forms of government," stated the speaker, she lauded the 80th Congress for its investigations into un-American activities and declared that on the basis of that alone, each congressman is deserving of another term. To continue to exist, said Miss Schlagenhauf, America "must have in power men and women who are sold on the American way of life."

In conclusion, Miss Schlagenhauf stated that "we must return to the fundamental ideals of democracy" by electing those who will rekindle the flame of democracy and hold aloft the torch of freedom."

Miss Schlagenhauf's address was preceded by a brief business session conducted by the president, Mrs. Philip Bradish, during which a report of the nominating committee was made by the chairman, Mrs. Thessell Bossarte.

The slate of officers which has been drawn up by the nominating committee, Mrs. Bossarte, Mrs. Gail Ranson and Mrs. Leon Woods, is comprised of Mrs. Margaret Owings, president; Mrs. Ruth Burnett, vice president; Mrs. Ruth Ranson, recording secretary; Mrs. Margaret Chapman, corresponding secretary; Mrs. Mary Hooper, treasurer; and the following county vice presidents, Mrs. W. C. Calhoun, Franklin; Miss Flora Hall, Alexander; Mrs. Charles James, Meredosia; Mrs. Neal Brown, Murrayville; Mrs. Paul Fenstermaker, Waverly; Mrs. Sam Henry, Woodson; and Mrs. Clarke Stevenson, Jacksonville rural area.

To Vote On Officers
These officers will be voted upon at the November meeting.

The musical program consisted of vocal selections by Mrs. Hugh Green, accompanied at the piano by Mrs. G. O. Webster. They were introduced by Miss Charlotte Sieber, music chairman.

At the conclusion of the meeting, a social period was held, with Mrs. C. W. Rhodes as chairman. Hostesses were Mrs. F. J. Waddell, Mrs. A. M. Masters, Mrs. Roy Corington and Mrs. W. G. Goebel.

Three candidates for county offices were present. They were Albert Hall, candidate for states attorney; Philip Bradish, candidate for clerk of the circuit court; and Clarke Stevenson, candidate for county commissioner.
